

New appointment for DaTARIUS Technologies GmbH,

Reutte October 2003

DaTARIUS is pleased to announce the appointment of Mark Ridout as Chief Financial Officer for the DaTARIUS group.

Mark is a graduate Chartered Accountant with several years of experience in the pharmaceutical and FMCG (Fast Moving Consumer Goods) markets with names such as E Merck, Bristol Myers Squibb and Duracell. In addition to his role as a Chartered Accountant, Mark has successfully led a variety of other fields including; Administration, Personnel, Purchasing and Facilities Management.

“Mark brings with him extensive management experience at operational, divisional and corporate levels which will make him a great asset to this company,” said James Steynor, CEO of the DaTARIUS group. “We are delighted to have him join DaTARIUS.”

Mark will be initially based at the DaTARIUS group headquarters in Reutte for up to six months where he will supervise the implementation of a new ERP System. He will then divide his time between the DaTARIUS offices in Europe, Asia and the USA.

Editor's notes:

DaTARIUS Corporate Information

The DaTARIUS Group is an international company focused on providing solutions to the optical media manufacturing industries. DaTARIUS has over 18 years' experience in the manufacture and distribution of equipment for inspecting, measuring and optimizing at every stage of the optical media manufacturing process.

DaTARIUS is unique in providing equipment for the whole production process right through from pre-mastering to print and packaging. In addition, DaTARIUS also develops and supplies process optimization equipment such as sprue recycling and mould cooling systems. This broad product range is supplemented by a consulting and training service.

With headquarters in Reutte, Austria (R&D sales and service), and regional offices in America (R&D, sales and service) and Hong Kong (sales and service) the company has a global team of 85 employees and a extensive sales and service support network covering every major market of the globe: North America, South America, Europe, the Middle East, and the Pacific Rim.
