

## DaTARIUS presents awards to Hollywood's Best DVDs

August 31, 2005. DaTARIUS has made its impact on the EMX show, currently being held in Hollywood, by reinforcing the importance of DVD quality with its sponsorship and presentation of the prestigious Best of Show DVD award.

The 8th Annual DVD Awards ceremony was hosted last night (Tuesday August 30) by US TV's most respect film commentator, Leonard Maltin, and brought in nominations from the cream of the year's Hollywood releases. The final Best of Show Award, was presented by DaTARIUS Technologies Inc's Managing Director Rick Nuffer to the joint winners, New Line's Lord of the Rings: Return of the King and Warner's Ultimate Matrix Collection Giftset.

"Sponsoring the Best of Show Award gives a clear message to the Hollywood movie community, DaTARIUS' dedication to the manufacturing quality of DVD with its industry-standard optical media measurement, optimize and inspect systems," notes DaTARIUS Group Marketing Manager, Tim Frost. "EMX has again proved a great opportunity to show the part DaTARIUS plays in ensuring the quality of discs delivered to end user, and our major presence on the exhibition floor is attracting interest from replicators and content-owners alike.
